TRAFFIC REGULATIONS AND SAFETY RULES

Montana speed limits: daylight—65 miles per hour absolute speed;
 55 miles per hour during the hours when lights are required, except where zoned and posted.
 No truck shall be operated at a speed greater than 45 miles per

Vehicles entering main highways from side road or drive must yield right-of-way to vehicles traveling main highways.

3. Vehicles must drive to right of center line at all times except when passing another car. Never pass on hills or curves. Be sure you can see far enough ahead to make a

4. Proper signal must be given when passing another vehicle, changing direction, stopping or slowing down on the highway. Sound horn to warn the car ahead you are going to pass; left turn, left hand and arm extended horizonta.

left hand and arm extended horizontally; right turn, left hand and arm extended upward; stop or slow down, left arm extended downward. Mechanical and electrical turn indicators are legal.

5. Obey all warning signs, such as School Zone, Stop, Slow, Danger, Curve, Yield Right-of-Way, and others.

6. Never drive at a speed greater than that at which you can stop in the clear road visible ahead. Slow down at night or when the road is wet or icy.

When approaching another car from either the front or rear, dim your lights. Don't be afraid to dim first. Courtesy promotes safety.
 Slow down when approaching any child, pedestrian, bicycle, livestock, parked car, or other obstruction on the highway. Be prepared for the unexpected.

 Don't stop or park on the main-traveled portion of the highway, especially on hills or curves. Pull out on the shoulder. It's safer for you and other cars.

Make a written report to the Highway Patrol of all accidents resulting in death, personal injury, or property damage of an apparent extent of \$25.00 or more.

 When approaching school busses loading or unloading school children, drivers must stop and not proceed until school bus resumes motion.

12. PREVENT FOREST FIRES—USE YOUR ASH TRAY.
